## Safety Tips / Announcements

### MISSED JURY DUTY SCAM

Victims receive a call saying that they missed jury duty and that there is a warrant out for their arrest. The scammers tell you the warrant will be removed if you purchase gift cards or send money through cash apps or Bitcoin.

If they ask you to purchase gift cards, the scammer will give you time to run to the store to make the purchase. They will call you back and ask for the gift card information, including the pin number.
